

ยินดีต้อนรับ

At Yum Saap, we serve dishes from Thailand and around, which are meant to be combined and shared. Try around 3 dishes per person. Dishes are served when ready. Thai food is generally eaten with a fork and spoon. If you like a knife or chop sticks (ta kiep) ask your waiter. Spicy dishes are marked with a (S), vegetarian dishes with a (V). Vegetarian dishes may contain some fish sauce! We use fresh ingredients, biological chicken and certified fish. Yum Saap means 'healthy salad' in Thai, but we're not a traditional Thai restaurant. Like to eat at home? Try our take-away: all dishes 10% off.
